2. Also check the following website links for other scholarship possibilities. If you register at these sites, many will notify you of any awards you may qualify for.

You may also check www.tvdsb.ca (select the Students tab, then choose Awards, Bursaries and Scholarships) for a listing of some TVDSB awards available to IDCI students, however the spring booklet will have the most comprehensive list of local awards.
4. Entrance scholarships for programs at Ontario universities can be viewed at www.electronicinfo.ca. For college programs, go to www.ontariocolleges.ca. Some may be automatic and some may require an application.
5. All students are encouraged to apply for **OSAP**, whether they need student loans or not. Some grants are available which are not required to be repaid.
6. Scholarships usually reward your accomplishments, contributions, and/or involvements. Bursaries are usually awarded for financial need. You may come to the Guidance Office and ask any questions you may have about awards and scholarships this year.
